

Please do not allow the LPFM expansion take priority over current FM translator service. I listen to K-LOVE on 105.5 in Phoenix, AZ, and would be lost with this station!. It has such a positive, uplifting message in a world where with most other stations offer put downs and negativity, K-LOVE encourages you to be a better person. When I'm down I can listen to K-LOVE and receive some type of encouragement and I always feel better. Please don't do anything that would jeopardize my ability to receive K-LOVE! Sincerely, Ann Keene
